If I did not have the ability and facilities to sell your property certainly could not afford to pay for this advertisement. This (like all my other 'ads'') is practically sure to place on my number of new properties, and I am just as sure to sell these proper and make enough money in commissions to pay for the cost of 'ads," and make a good profit besides. That is why I have so lare real estate business today.

Why not put your property among the number that will be sold a result of these "ads?"

I will not only be able to sell it some time but will be able to it quickly. I am a specialist in quick sales. I have the most comp and up-to-date equipment. I have branch offices throughout country and a field force of men to find buyers.

I do not handle all lines usually carried by the ordinary real agents. I MUST SELL real estate—and lots of it-or go out of b ness. I can assure you I am not going out of business. On the trary, I expect to find, at the close of the year, that I have sold in as many properties as I did the past year, but it will first be neces for me to "list" more properties. I want to list YOURS and SELL It doesn't matter what it is worth, or where it is located. If you fill out the blank letter of inquiry below and mail it to me today, I tell you how and why I can quickly convert the property into cah, will give you my complete plan
